

GRAND CASINO BERN

 KURSAAL BERN

Did you know...?

... that all winnings at the Grand Casino Bern are tax-free?

Lottery winnings are taxable, unlike casino winnings, which are tax-free, and are paid out in full with no deductions.

However: this only applies to winnings collected in Swiss casinos. Winnings from casinos outside Switzerland are, like lottery winnings, taxable for Swiss residents. For guests resident outside Switzerland, taxation of winnings is based on the legislation of the country concerned.
